This season of concerts by Marshall's Band is dedicated to the memory of Steve Holloman.

Steve was a member of Marshall's Band for over 50 years – from the time he was in junior high until the summer of 2024. During that time, he served as director and co-director from the early 2000s to 2024.

Steve brought many things to our band, from his great conducting and music choices to his excellent musicianship while performing with the band on clarinet (and the occasional bass drum), to his humor and ability to make each person in the band feel they were important to the group.

Steve spent his life making music, teaching his craft to thousands of young people, being a husband, dad, and granddad, a house painter during the summers, the parade leader in his neighborhood... And he still found the time to be an integral part of Marshall's Band. He was a great friend and is missed by us all.
